AGREEMENT**

TC07-095

On September 6, 2007, the Commission received for approval a filing of an Amendment to an Interconnection Agreement between Qwest Corporation (Qwest) and 360networks (USA) inc. (360networks). The amendment is made to add terms and conditions for VoIP traffic as set forth in Attachment 1 to this amendment.

On September 13, 2007, the Commission electronically transmitted notice of the filing of the amendment to interested individuals and entities. The notice stated that any person wishing to comment on the parties' request for approval had until September 26, 2007, to do so. No comments were filed.

At its duly noticed January 29, 2008, meeting, the Commission considered whether to approve the negotiated amendment to the agreement between Qwest and 360networks. Commission Staff recommended its approval.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-31, and the Federal Telecommunications Act of 1996. In accordance with 47 U.S.C. § 252(e)(2), the Commission found that the amendment does not discriminate against a telecommunications carrier that is not a party to the amendment and the amendment is consistent with the public interest, convenience, and necessity. The Commission unanimously voted to approve the amendment to the agreement. It is therefore

ORDERED, that the Commission approves the negotiated amendment to the agreement as described herein.

Dated at Pierre, South Dakota, this 5th day of February, 2008.
